

Change of Address

Having your current home mailing address on file with the ERS is very important. Many important documents are mailed to each member such as your *Advisor*, ERS Board of Control Election ballots, Annual Statement of Account, and RSA-1 statement. Please report any change of address to the ERS in writing, with signature, either by letter or [ADDRESS CHANGE NOTIFICATION](#) form. The change of address form can be obtained from your payroll officer or downloaded from our Web site. Address changes cannot be made through email or over the phone.
